

OSSIOfiber[®] Threaded Trimmable Fixation Nail

One Nail, Endless Possibilities

Measure

Trim

Transform

Thousands of **continuous natural mineral fibers** are organized into a custom matrix designed to optimize **strength** and enable safe **bio-integration**.

Superior Compression

The OSSIOfiber[®] Threaded Trimmable Fixation Nail provides greater compressive force versus widely used fully threaded screws¹.

One Size Fits All

The nail length can be customized intraoperatively, reducing the need for extensive inventory.

Steady-State Compression Force Comparison

Improved User Experience

The OSSIOfiber[®] Threaded Trimmable Fixation Nail combines self-tapping capability with accurate fluoro visibility due to our unique adjustable driver.
